Subject: M8A Attestation of Conformity (CE MD) and N8MA Attestation of Conformity (CE LVD)

We are pleased to attach your certificate of Conformity (No.: M8A.17.03.98251.003 and N8MA.17.03.98251.004) which confirm that a sample of the above mentioned technical equipment has been tested and was found to be in accordance with the relevant requirements.

Let us herewith give you some additional information which we consider to be important to you:

- The product has to be accompanied by a user manual and safety labelling/warning mark in the language of the country where it is supposed to be sold.
- To ensure that the validity of the certificate, please control any change in your production or of the product by yourself.
- The person appointed by you to compile the technical file must be established in the Community if your product(s) fall into the machinery directive (2006/42/EC).
- Declaration of conformity and CE marking and should be prepared with the product to be sold to EU market according to related EU regulation and directives.
- Other related EU regulation and directives for the product should also be met with.

We appreciate your kind support and would like to offer our assistance and continuous services at any time.

Yours sincerely,

Wei Zhang
